

Real estate agents

A 10pm lead still needs an email.

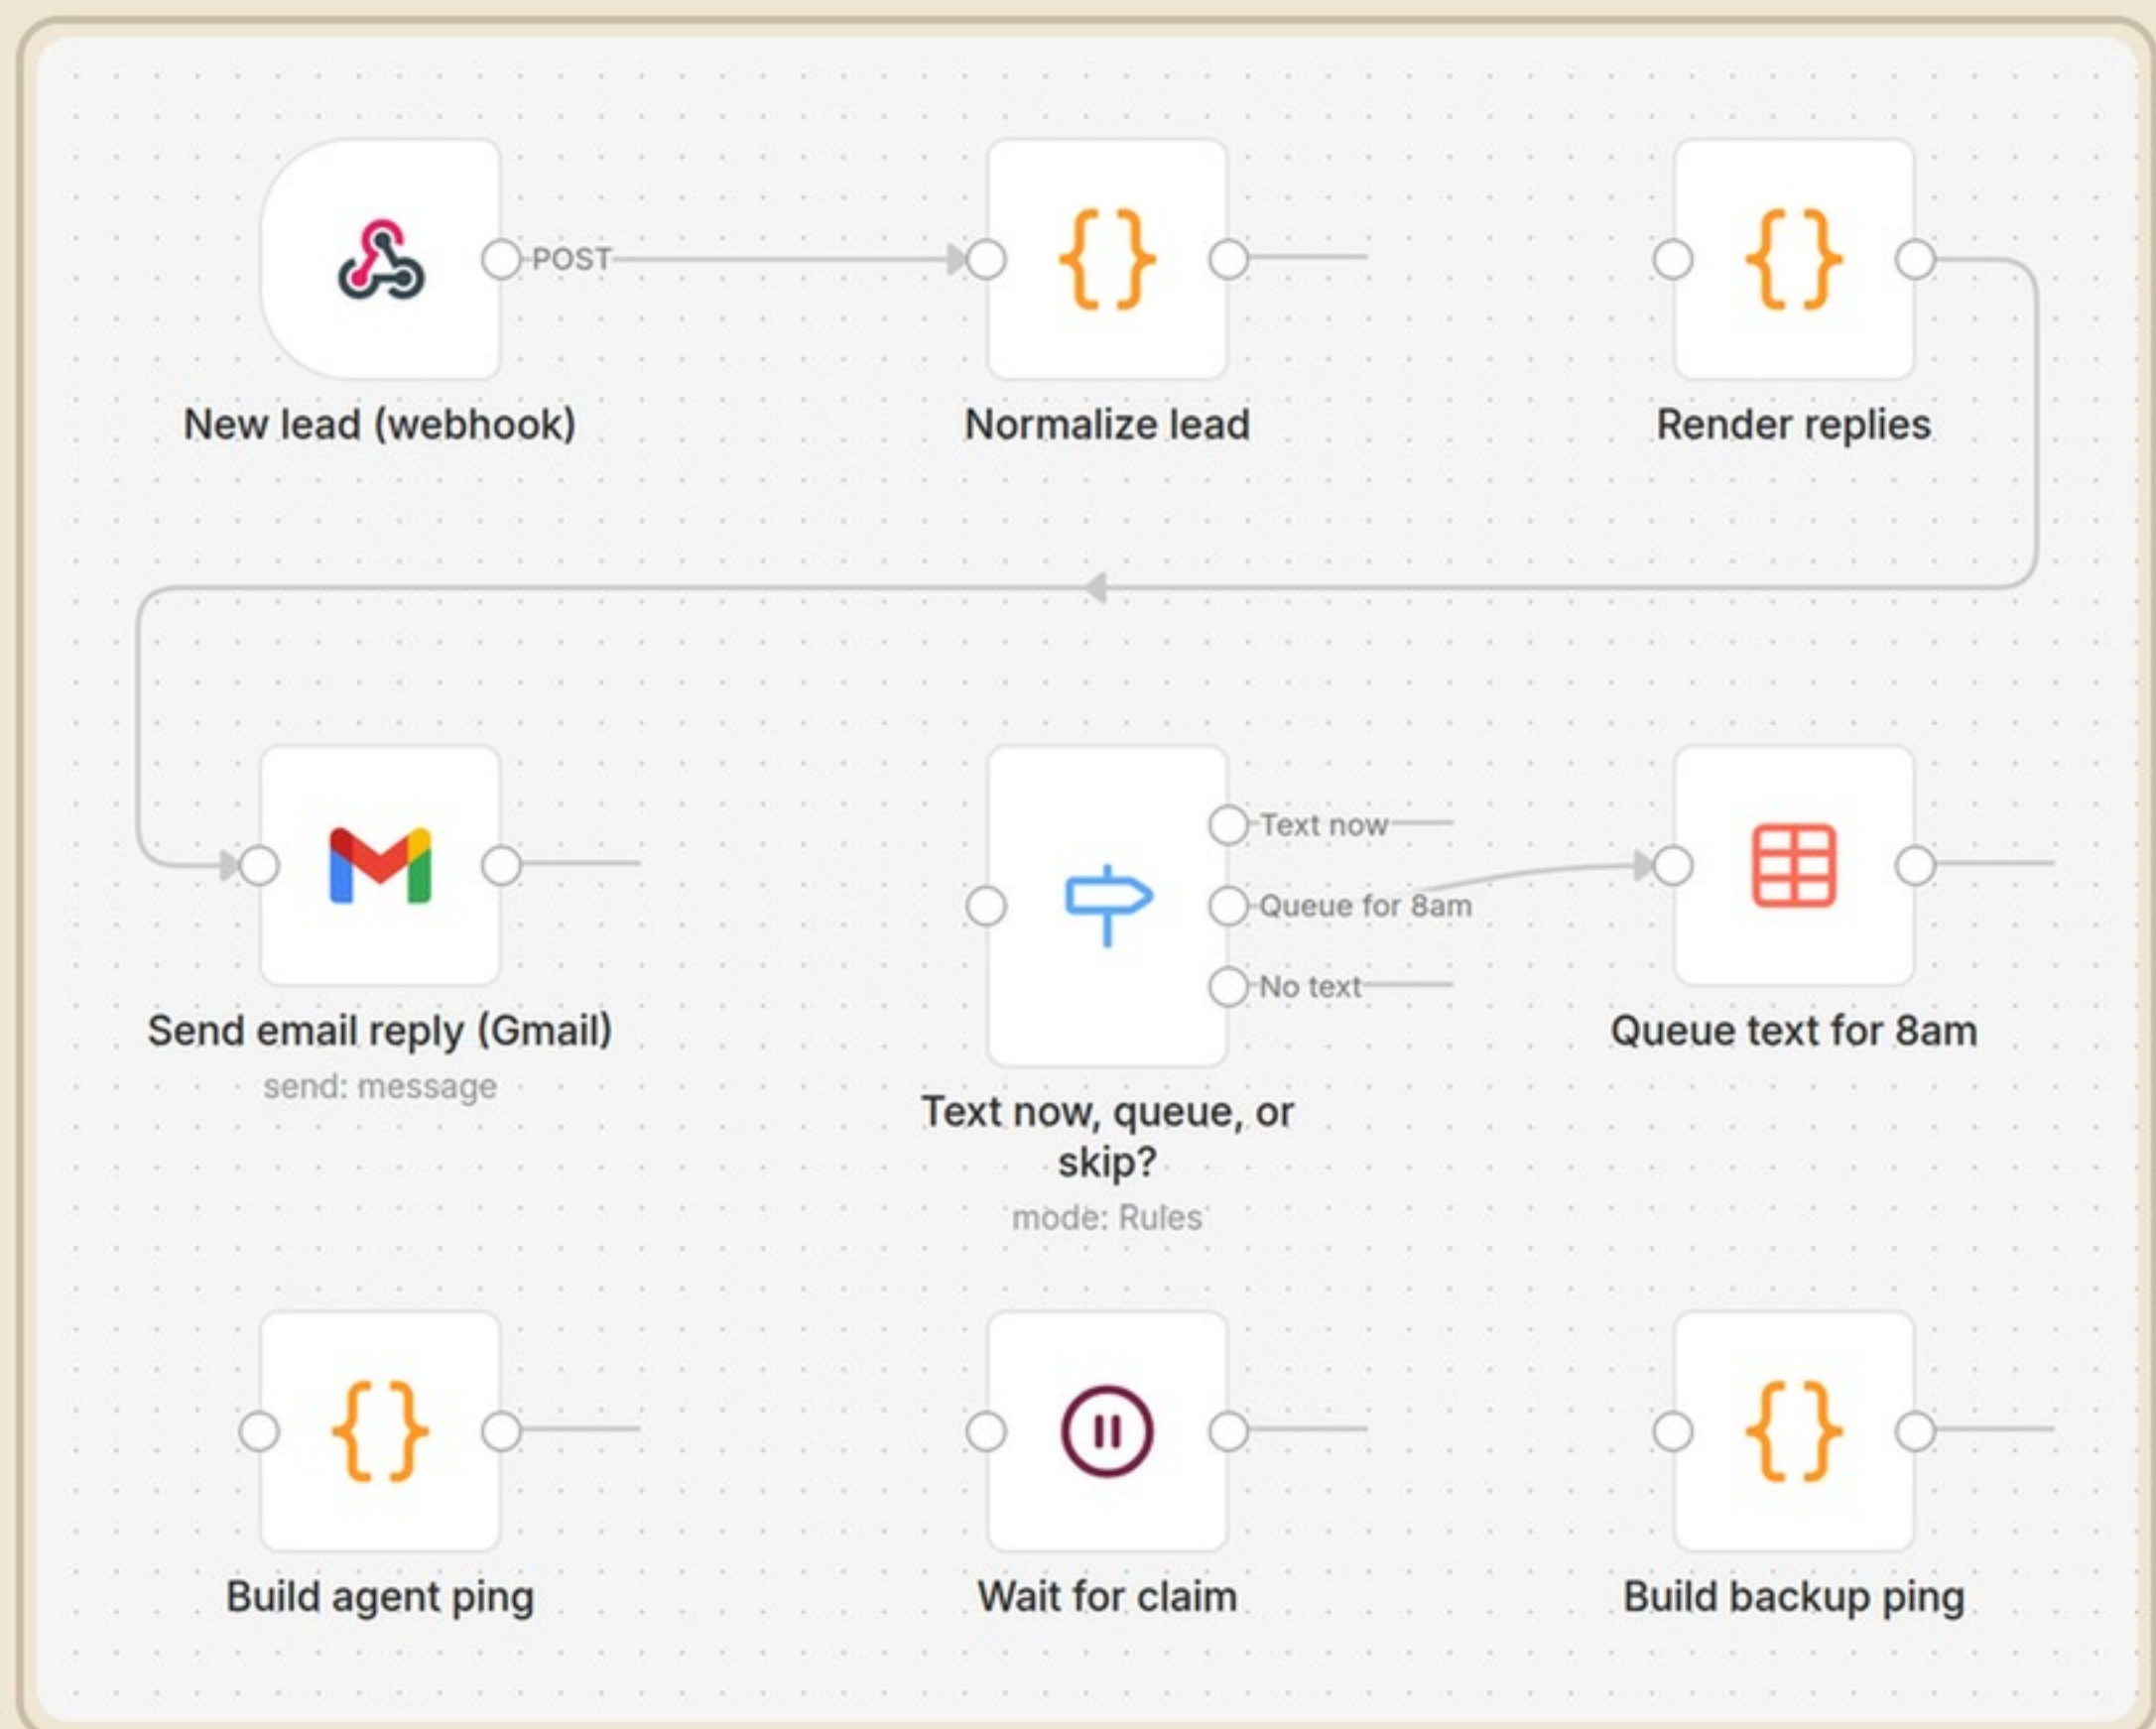

The text can wait until morning.

THE WORKFLOW

I built this

So the email goes out right away.

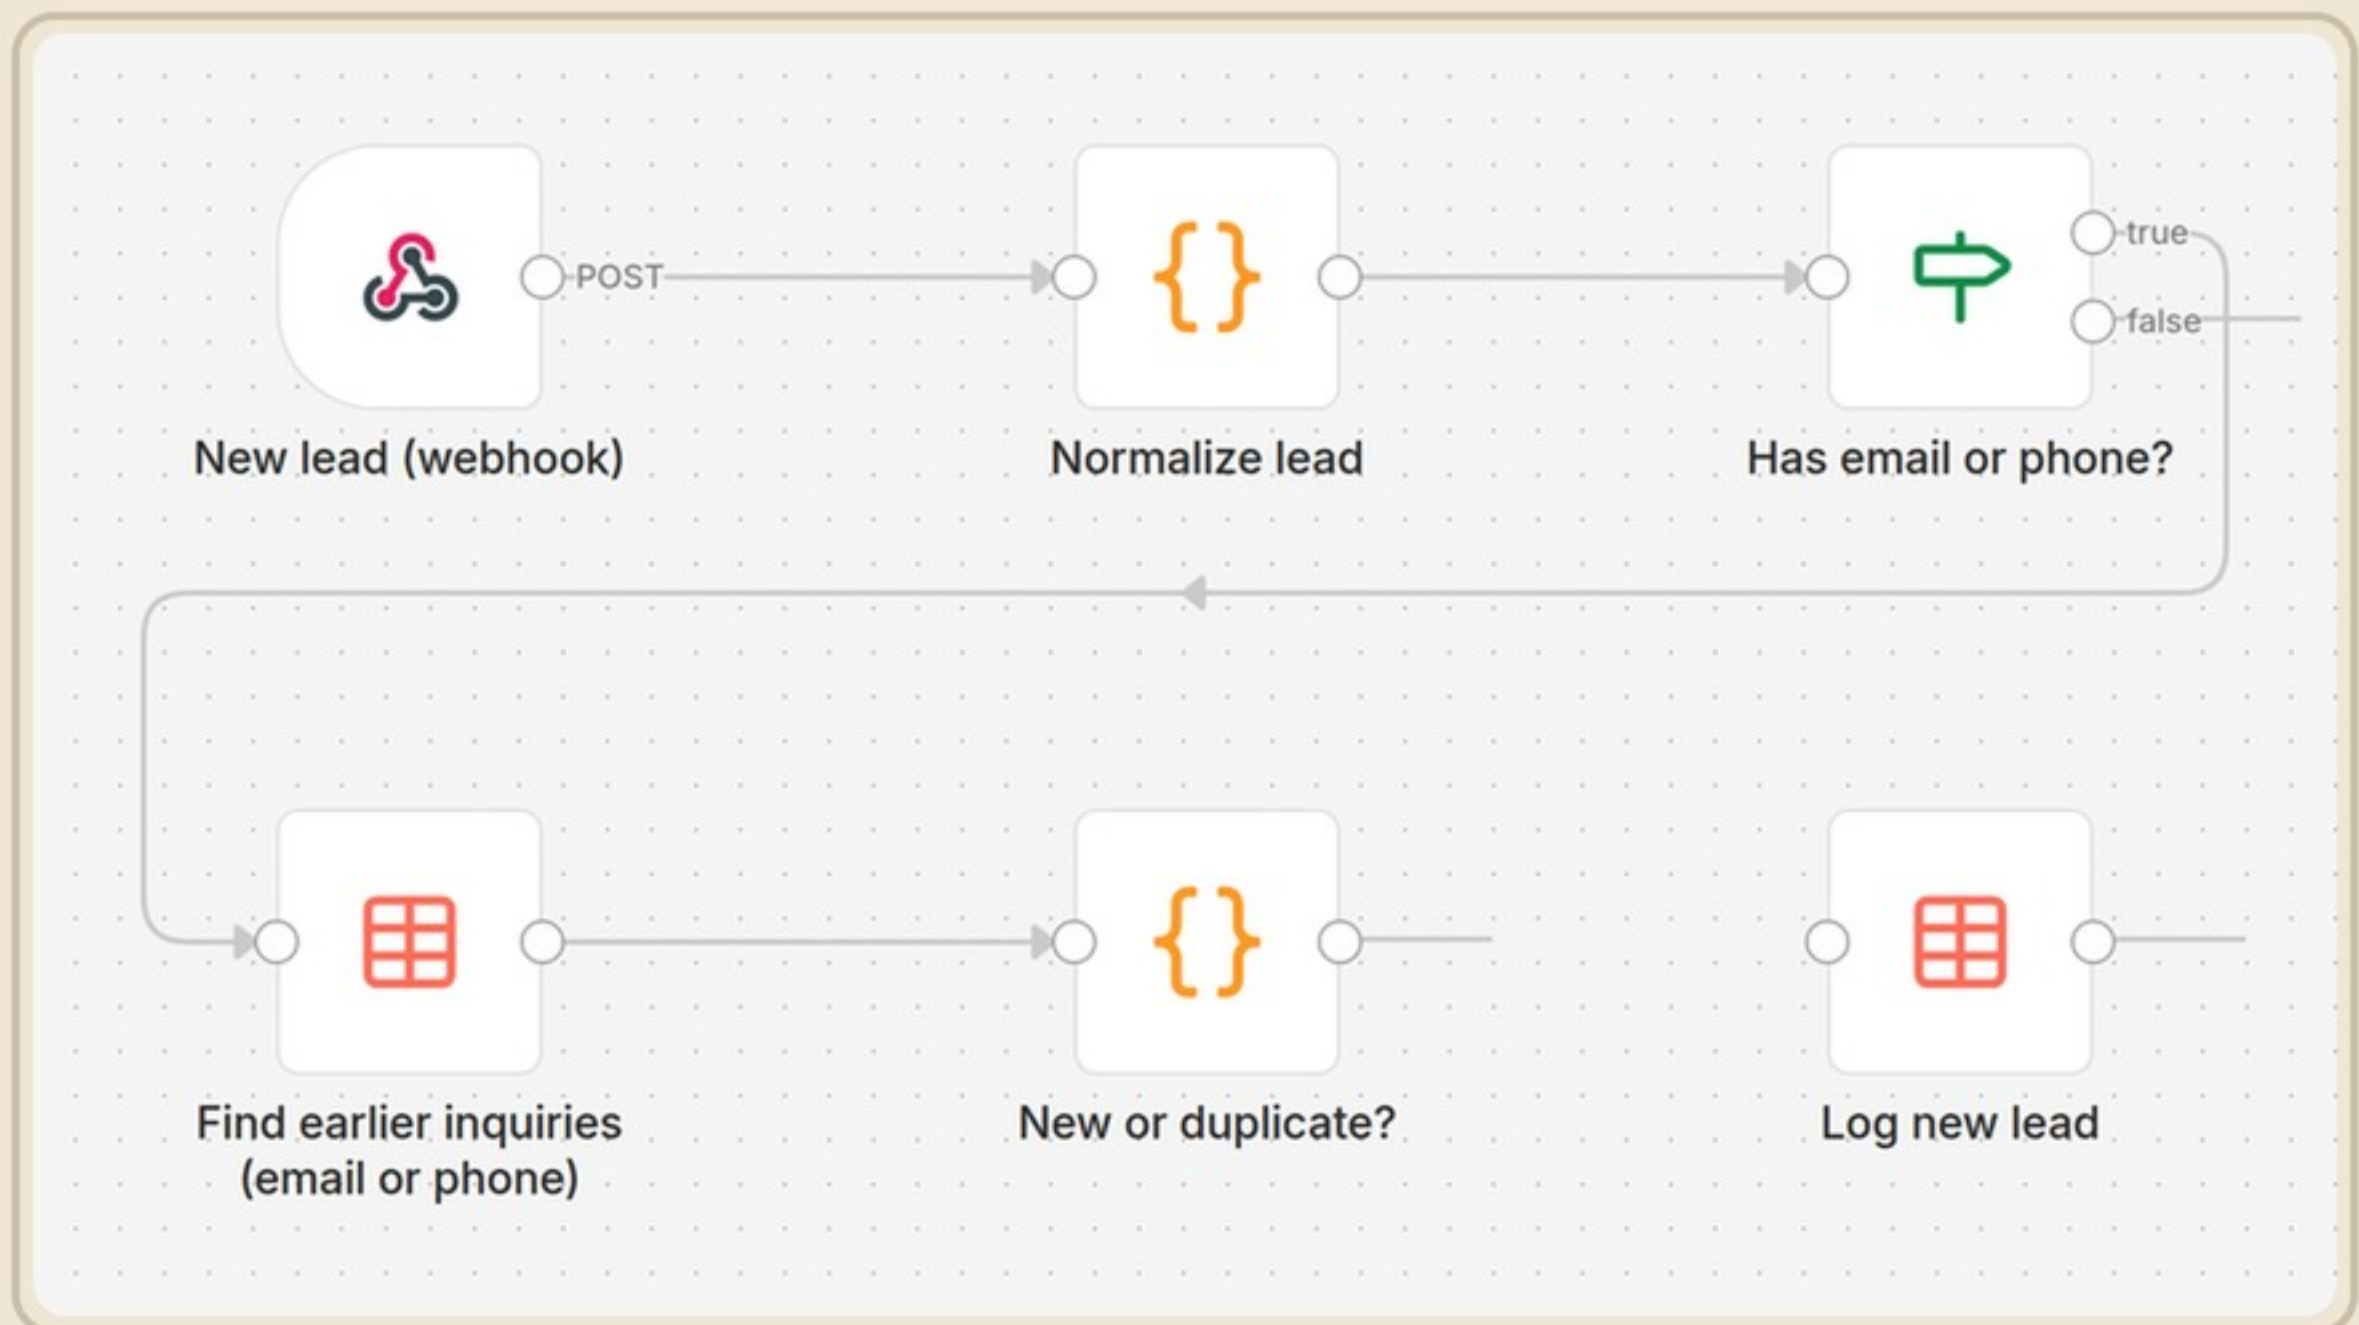

LEAD IN

A 10pm lead still needs an email

The text can wait until morning.

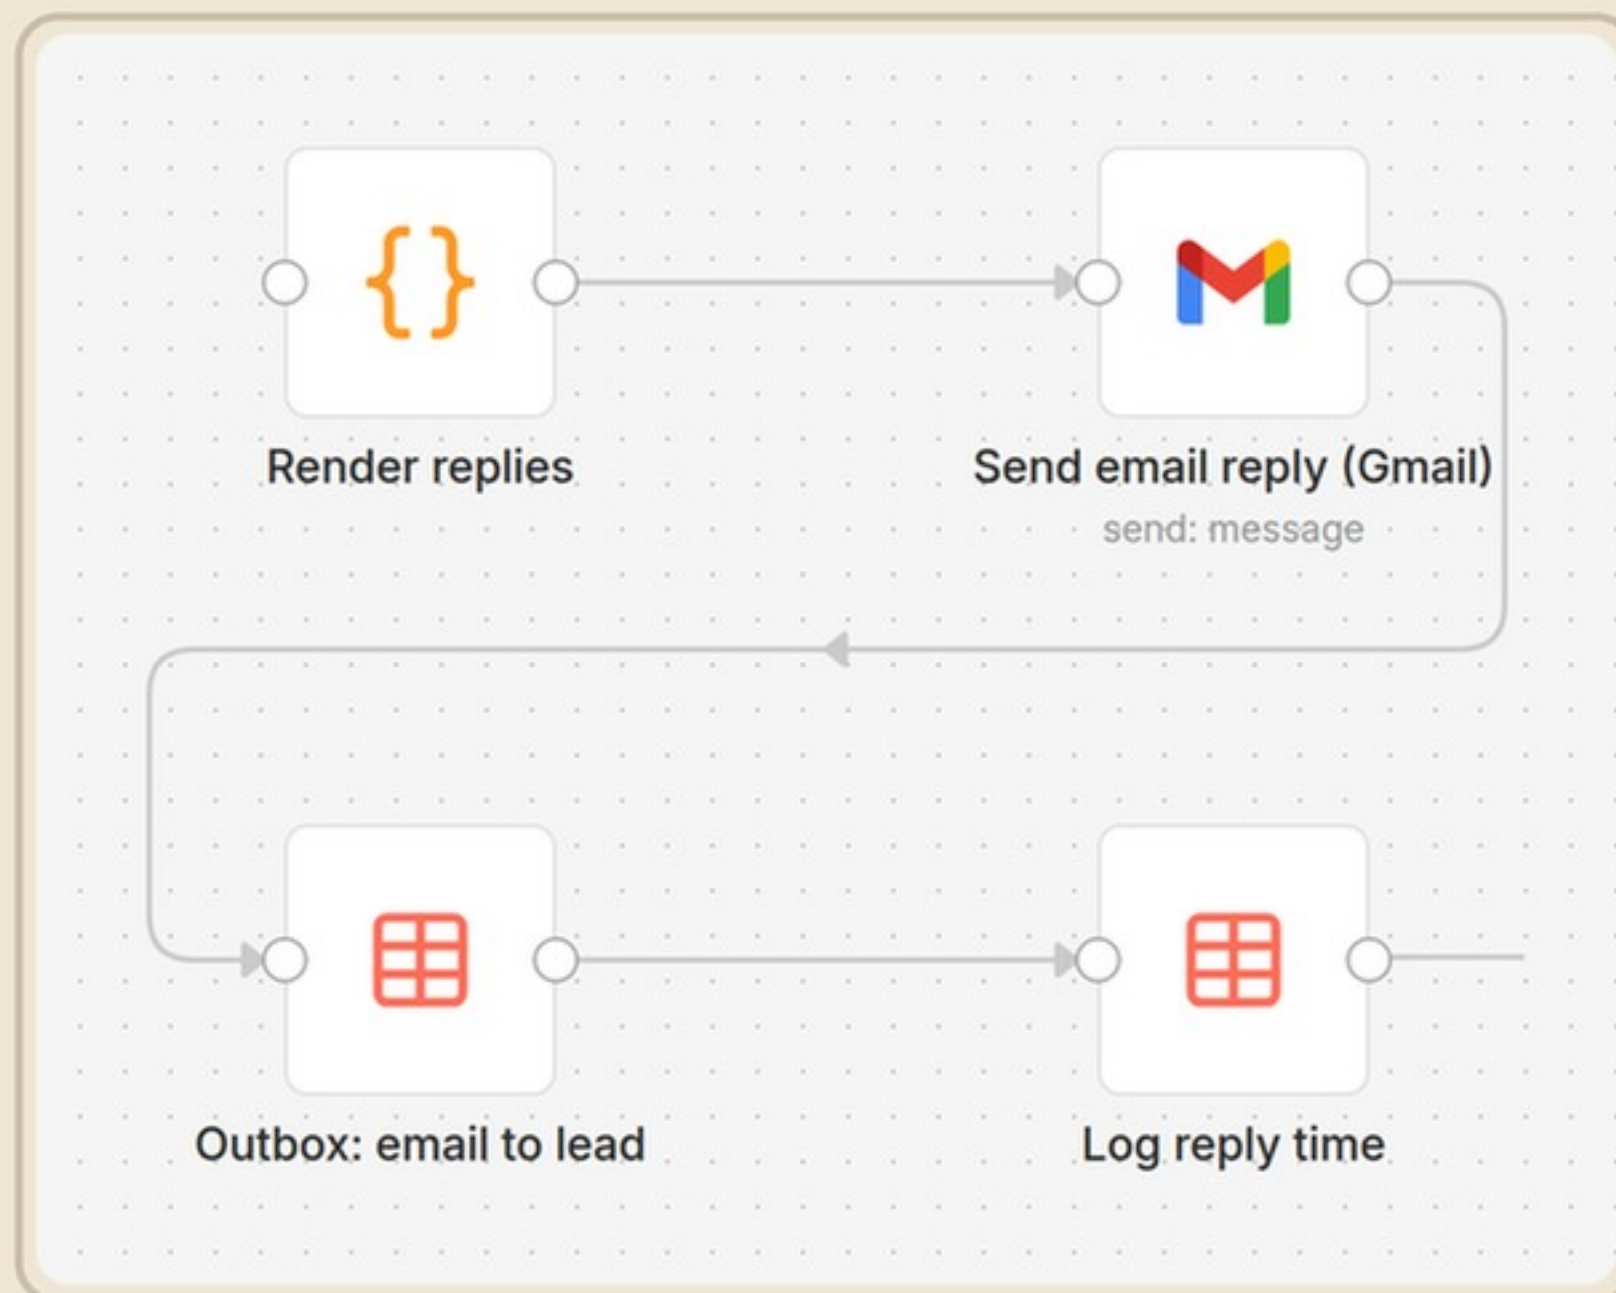

EMAIL

1. The email goes out right away

It names the property and asks which day works to see it.

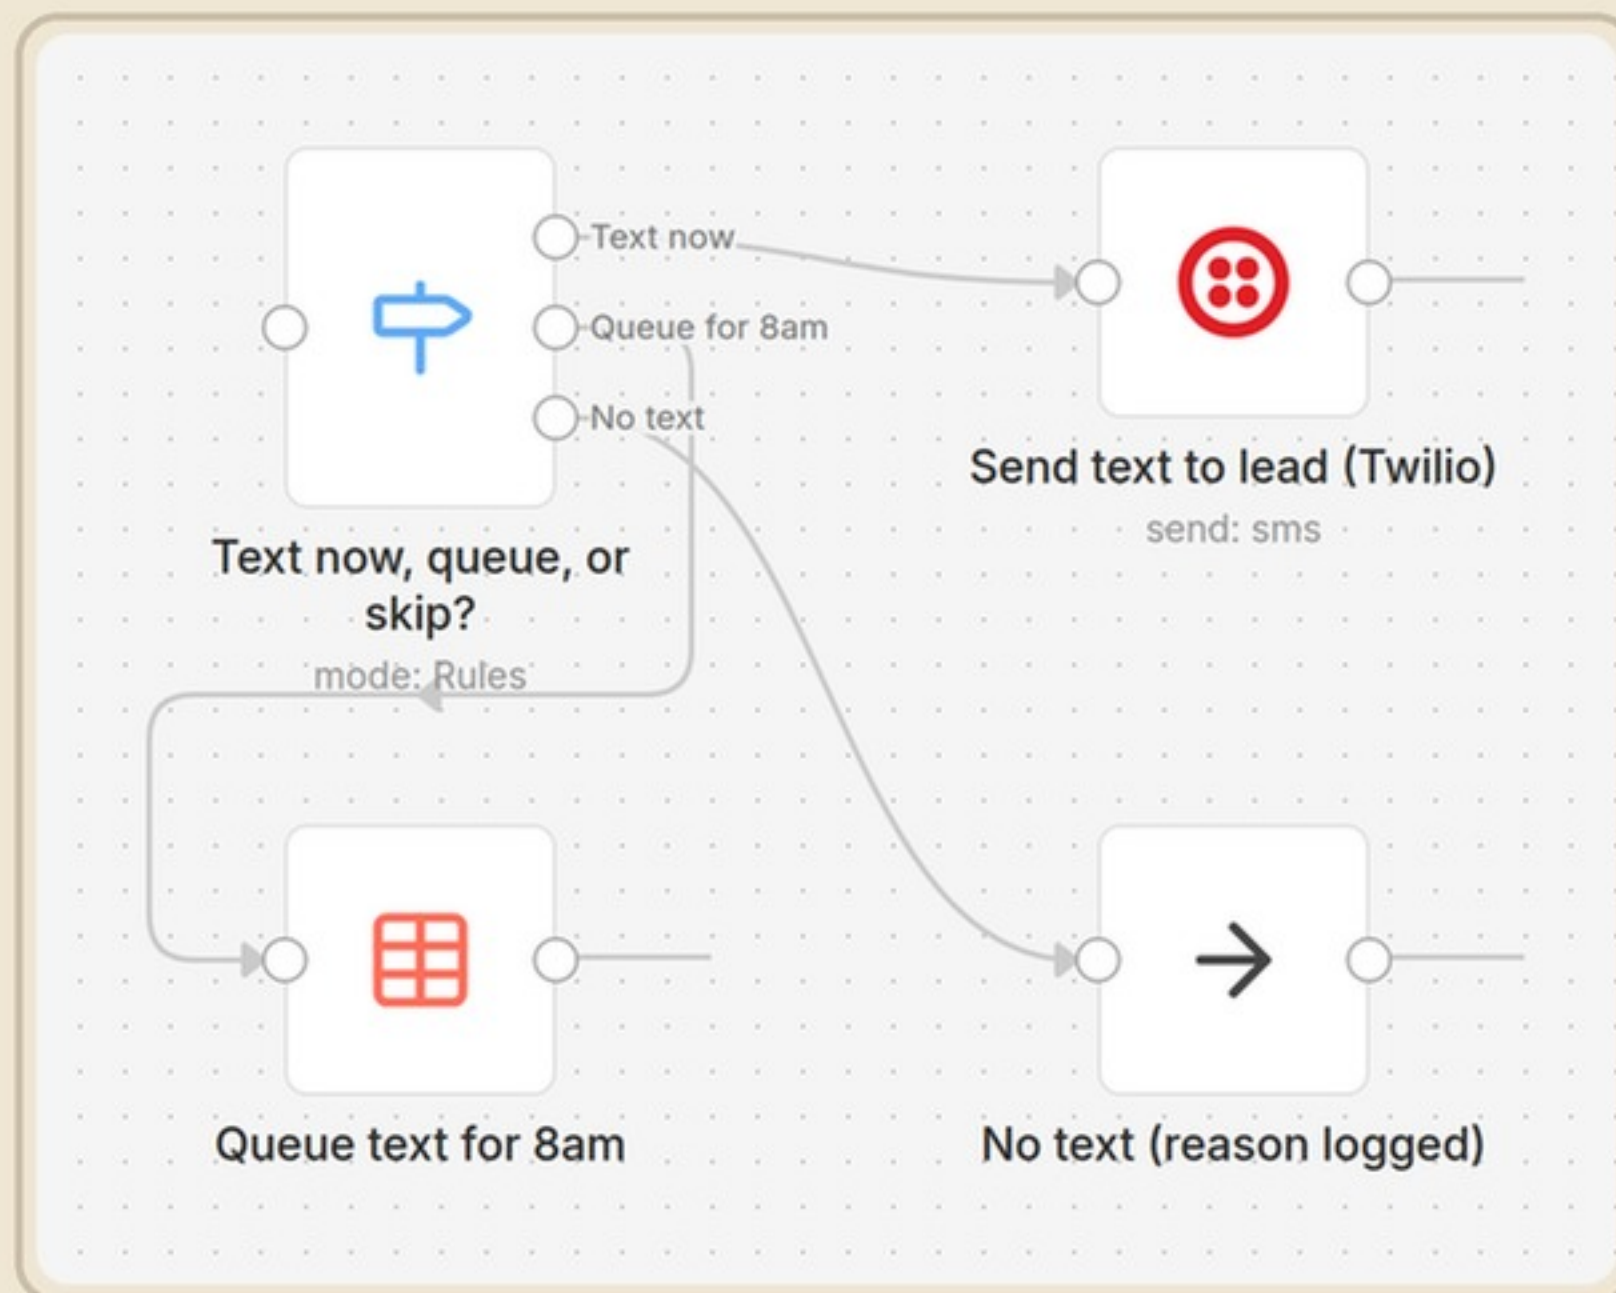

TEXT

2. Text only with the lead's consent

And only from 8am to 9pm in their own time.

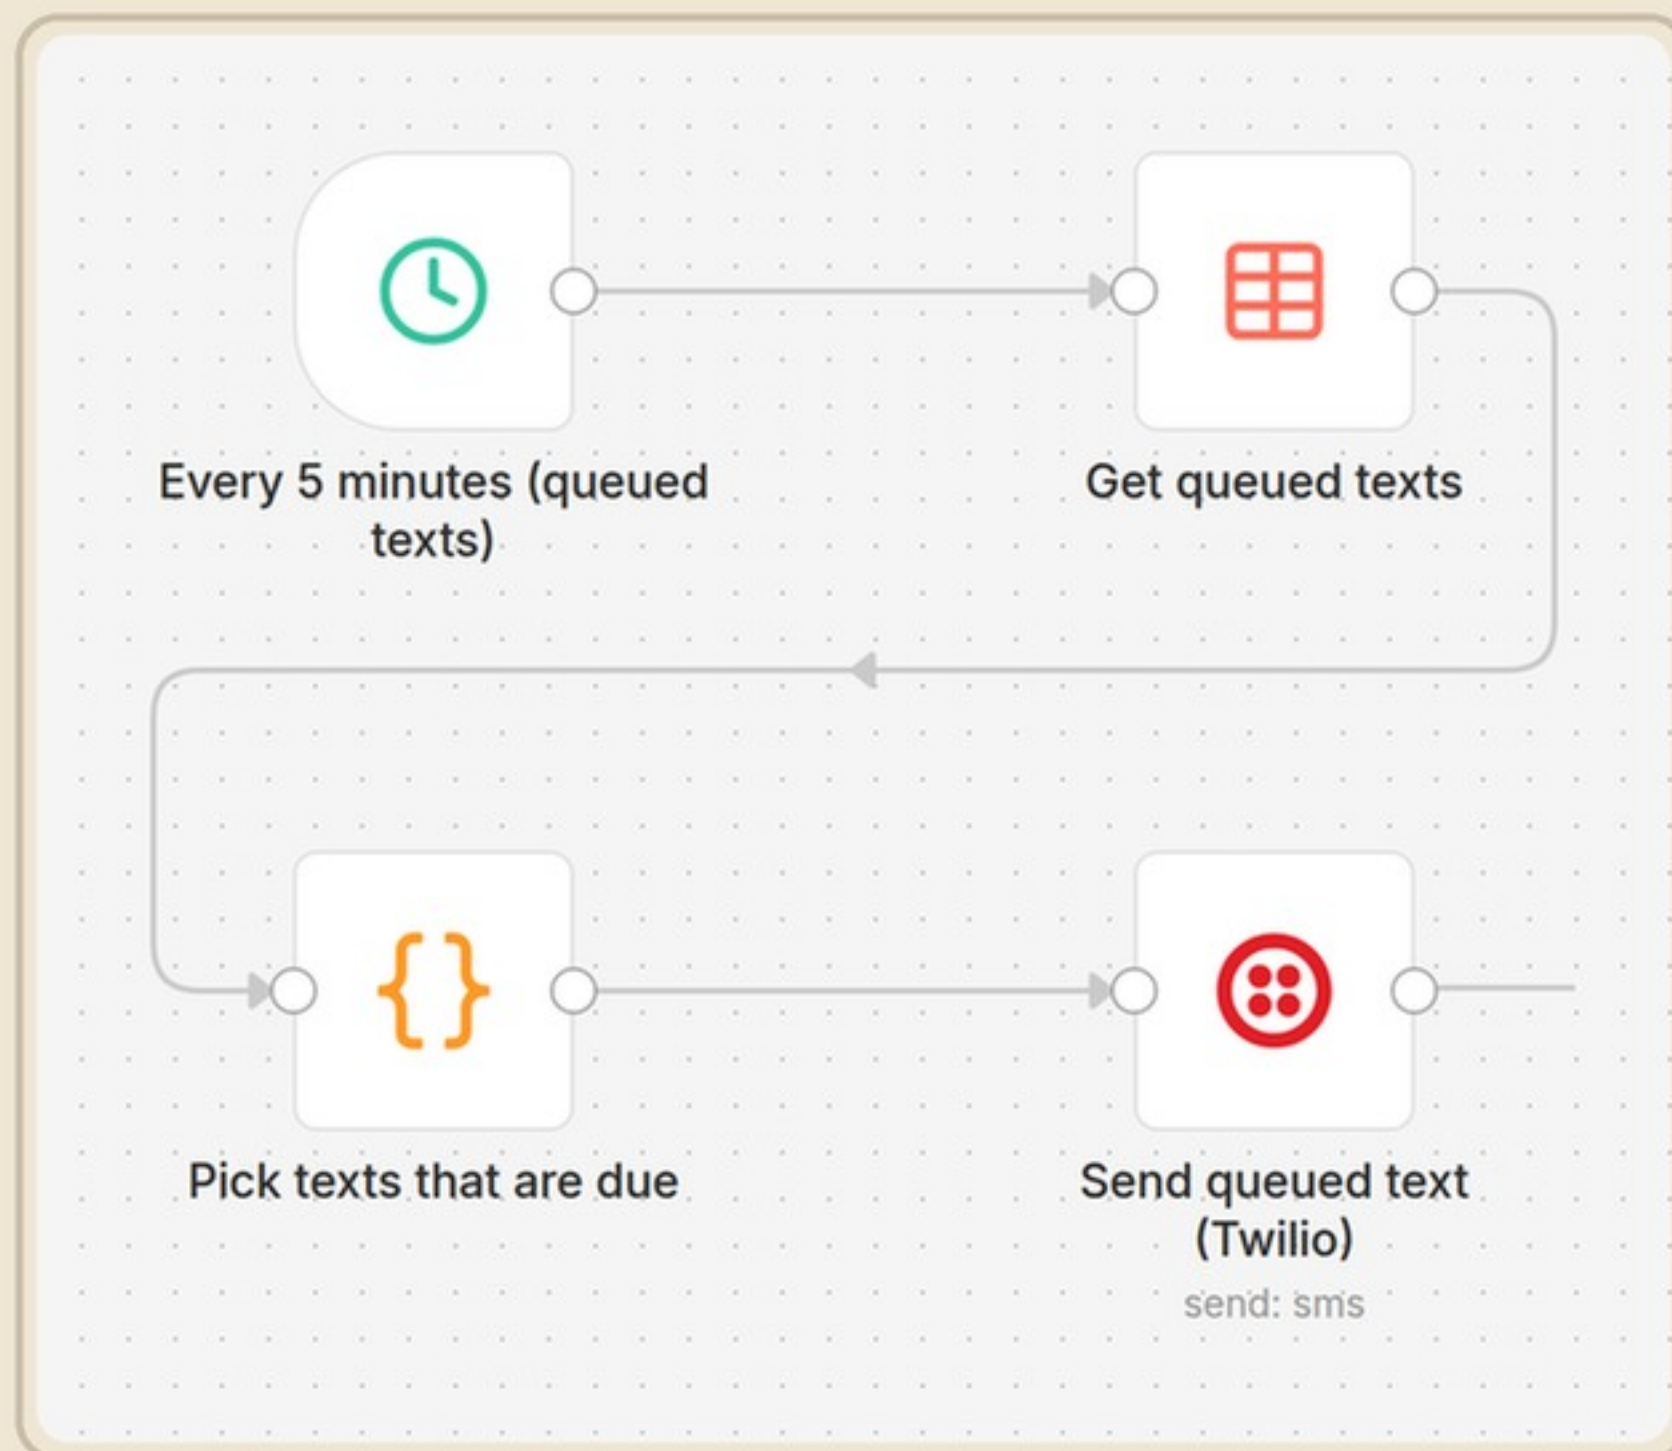

TEXT

3. At 10pm the text waits

It goes out at 8:00 the next morning.

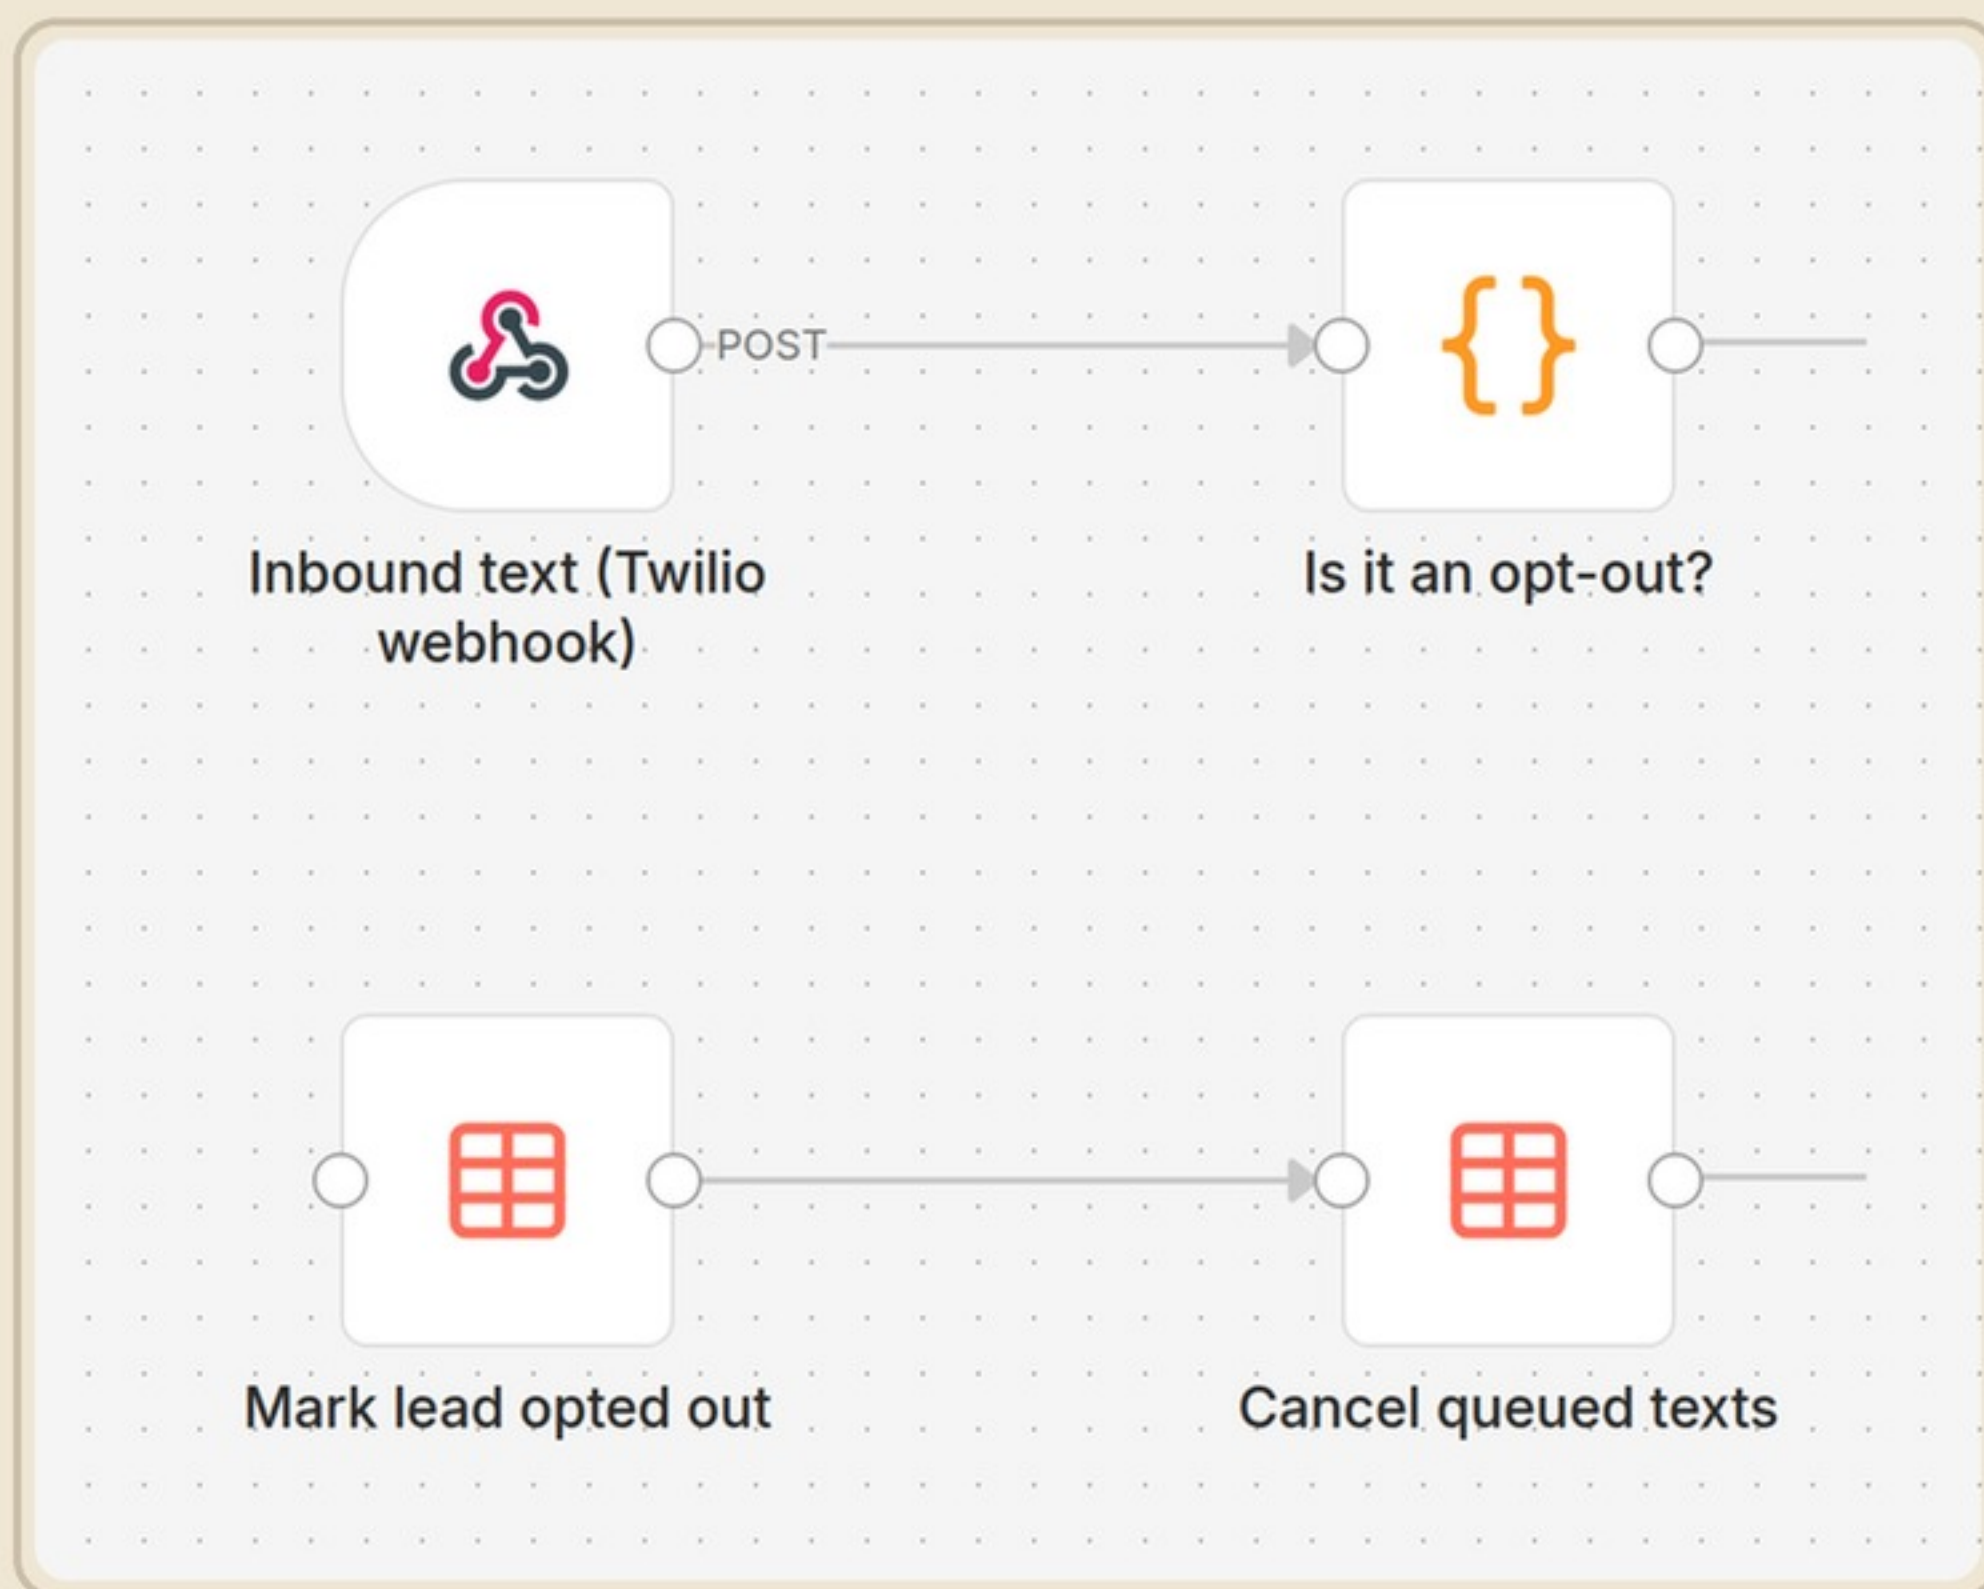

TEXT

4. Reply STOP

A text that is still waiting gets cancelled.

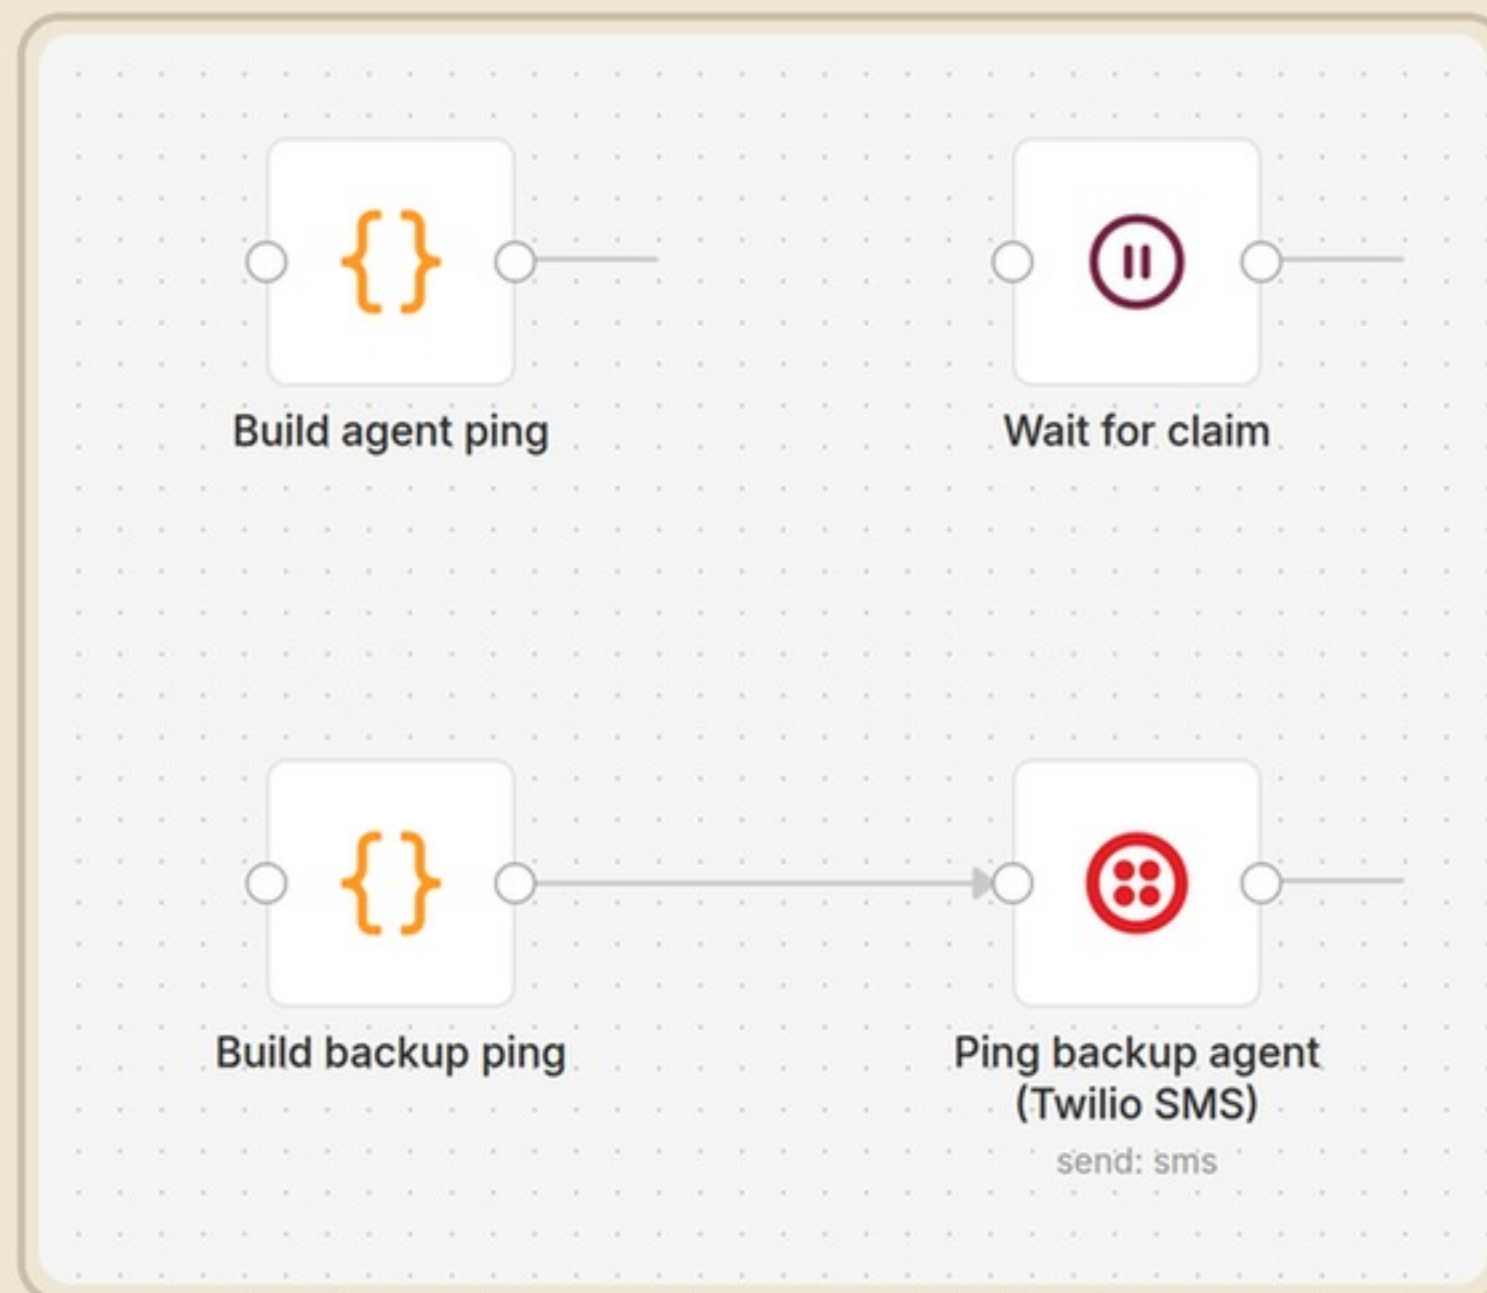

BACKUP

5. Still a 10pm backup ping

Add a rule if your team does not want night pings.

When a buyer writes after dinner

What goes out tonight, and what waits
until morning?

Email now.
The text can wait.
